Redwood Shores, CA 94065
(650) 592-2100

Welcome

Thank you for choosing our office! We appreciate the confidence you have placed in us, and we are looking forward to meeting you and your child (children). We love seeing new patients, and welcome the opportunity to work with you to create a healthy and beautiful smile.

Who we are

Our office is dedicated to the oral health of children from infancy to teenage years. We feature a child-friendly environment, compassionate staff and state-of-the-art equipment. We are committed to provide our patients with the highest quality of dental treatment.

On the first visit there will be a clinical examination and radiographs may be taken. Oral health care consultation will follow your child's evaluation. You can help prepare a young child for this first visit by explaining that we will "count his/her teeth and may be take some pictures of them".

Please take a few minutes to fill out the enclosed forms, and bring them with you on the day of the appointment. We find we can provide more time to you and your child when the forms have been completed.

We look forward to meeting you and your child.

Katalina Ramirez and Staff
